

**NHDOT Natural Resource Agency Coordination Meeting**  
**Wednesday February 20, 2019**  
**John O. Morton Building, 7 Hazen Drive, Concord, NH**  
**9:00 am, Bureau of Environment Conference Room (Room 161)**

**AGENDA**

The following projects/items will be discussed, in approximately this order, at approximately the times listed.

**9:30 Finalize January 16, 2018 Meeting Minutes**

**9:40 General Overview of A-Jacks Installation** Jim Bowles, NHDO T Bureau of Construction, and Darrel Elliott, NHDOT Bureau of Environment, will present on the installation of a-jacks as scour protection measures and on the construction means, methods, and implications. The intention for this presentation is to provide an overview of this scour protection methodology and provide the agencies an update now that it has been implemented through NHDOT projects. Environmental concerns: Water Quality, Wetlands, Stream Crossing

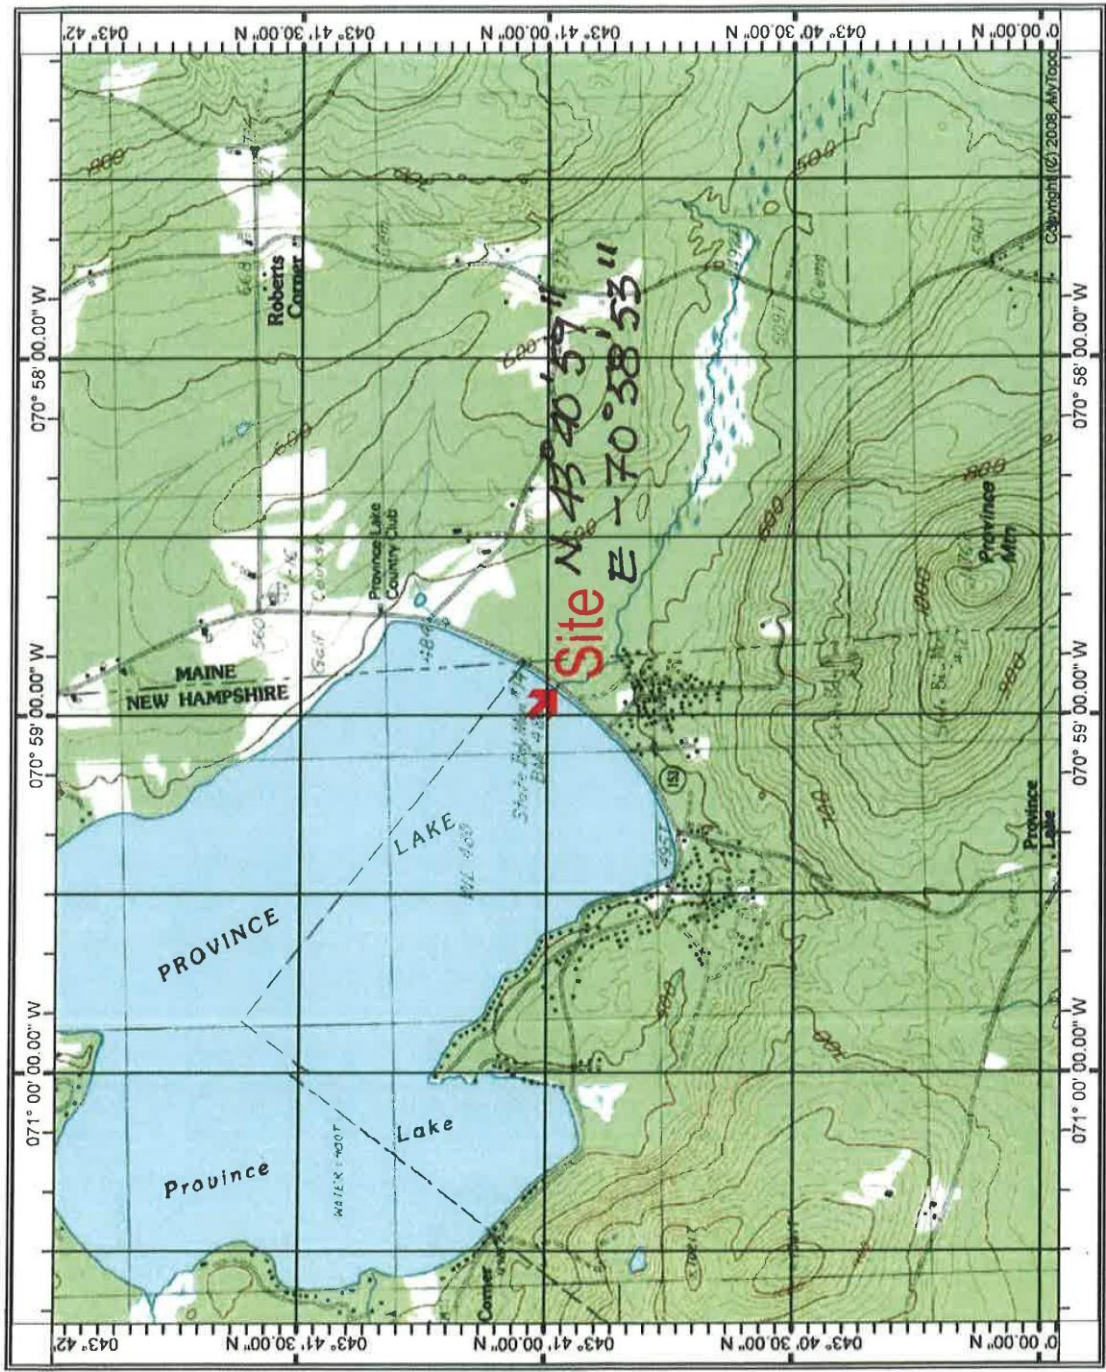

**10:15 Wakefield, #M312-13** Present twin metal arch pipe replacement for Tier 3 crossing in Wakefield on NH 153 over the South River into Province Lake. ([location map & AIR](#)). Nancy Spaulding, NHDOT District 3 will be presenting a review of alternatives and on wetland impacts. Environmental concerns: Wetlands (2017-01438), Rare Species/ Natural Communities, and Stream Crossing – Tier 3.

**Approximate End: 10:45 pm**

Note: The next scheduled meeting is March 20, 2019 in the  
Bureau of Environment Conference Room (Room 161)
